Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Monday 18 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Drier with some clear spells developing overnight. Breezy and mild.

This Evening and Tonight:
Cloud and light rain gradually clearing eastwards this evening to leave a drier night, with some clear spells developing, especially to the lee of hills. However, it will be turning cloudier from the west towards dawn. Breezy and mild. Minimum temperature 10 deg C (50 deg F).

Tuesday:
Cloudy with outbreaks of rain, heavy at times, moving northeastwards across all parts during the day. Breezy and very mild. Rain should begin to ease during the evening and overnight. Maximum temperature 18 deg C (64 deg F).

Outlook for Wednesday to Friday:
Unsettled on Wednesday and Thursday with spells of rain at times. Temperatures starting well above the average, but turning cooler Thursday and Friday, with further showers and coastal gales.
